DemoDay #39 - 17/04, 6:30PM
Everything you need to know

First things first : congrats, you made it (and you can be proud)!

Logistics

What will happen on D-Day

Course of the event

**Demoday #39**
Monday 17th of April, from 6:30 pm

— Brief intro by the moderator (10 min)

— Teacher's word (5 min)

— Pitch of projects (8 min per group)

— Drinks 🍻

🎓Don't forget to invite your friends & family to support you on this big day - Link to register

Pitch format

- **2 minute** intro by the moderator

- **6 minute** pitch by the group

- **2 minutes** for questions (**cancelled** if we run late)

5 tips to captivate your audience

— Present your project like if you were telling a story.

— Don't put too much text and structure it (lists, bold).

— Use visuals : they are worth a thousand words!

— Take your time (while watching the time).

— Rehearse with your peers.

5 steps so everything runs smoothly

ASAP:

- Fill in the spreadsheet as soon as it is sent to you.

The night before the DemoDay:

- Add a sharable link to your GSlides (no PPT, no PDF) on the spreadsheet + any video you'd like to show.

- Check the running order on the spreadsheet.

On D-Day :

- Come in person! It's much more fun to celebrate the end of your training IRL :)

- Gather upstairs or on Zoom 1 hour before the start of your Demoday for a briefing.
